

## If Your Bird Is Lost:

Any bird taken into our care through Animal Control, Animal Shelter or a good Samaritan will be posted on our Facebook page in an effort to find their owner. These birds will be held for 14 days before being made available for adoption.

If you believe a found bird in our care may be your bird, please contact us via email [fortheloveofbirdsnj@gmail.com](mailto:fortheloveofbirdsnj@gmail.com) or message us on our Facebook page - For The Love of Birds - New Jersey Exotic Bird Rescue. Please advise if your bird has a leg band and if so provide band number. Send a photo of your bird, where and when you lost them and any distinguishing features. We will respond typically within 24 hours.
